The Construction Simulator offers all simulation fans many opportunities to succeed in construction with over 70 vehicles and equipment on two large maps. The possibilities range from simple roadwork and repairing pipelines, building swimming pools and city redevelopment to constructing large bridges and hotel buildings. The player leads his own company to success and has to keep an eye on his finances as well as his fleet of vehicles and the required building materials. This official guide is intended to assist with this and be a companion when questions arise.

The guide contains:

- Everything about settings and the controls.
- Game mechanics explained.
- Participating in online games and setting them up yourself.
- The individual menus described and explained.
- Great overview of all vehicles and machines in the game.
- Both maps with special places and points of interest explained.
- Maps of all collectibles and speed cameras.
- Tips on driving offenses.
- Keeping track on finances.
- Overview of achievements.
