**Railway Empire 2** puts you in the role of a railroad pioneer. Build railroads in North America and Europe, connect cities with fast lines, and outdo your competitors to revolutionize the transportation system. Sounds like a daunting task? Don't worry, with the help of these **Official Guides**, you can overcome any challenge. Step by step, you will go from apprentice to master of rail transport. In three books, you will find explanations of the game mechanics, important data, helpful tips, and hidden tricks for a successful game. In addition, you will find historical context on the locomotives and interesting background information on the campaign and scenarios to immerse you in the history of the railroad.

### Three books in one:

- The **Official Compendium** contains all the information you need to build a successful railroad company.
- The **Official Mission Guide** offers overviews of all the tasks you will face in the campaign and scenarios, as well as many useful tips.
- The **Official Engine Catalogue** is a complete listing of all the locomotives in the game, with all the relevant data and historical background.
